How to find us:

The GBF is located on the Auzeville campus, 24 Chemin de Borde Rouge, CS 52627, F-31326 Castanet-Tolosan ([map](#)), in Auzeville-Tolosan, south east of Toulouse.

Arriving by car :

The Auzeville campus is located south of Toulouse between the southbound RN 113 and the Canal du Midi. If you are on the Toulouse ring-road leave at Exit No. 19 (Ramonville - Le Palays) and if you arrive on the A62 autoroute from the south also follow signs for Ramonville/Le Palays.

To join the RN 113 (route de Narbonne) from the "Le Palays" roundabout complex follow signs for Ramonville and then Castanet Tolosan. Before reaching Castanet turn to the left at lights where a sign indicates the INRA campus - continue on the chemin de Borde Rouge for about 500 m until you reach the entrance to the campus.

Arriving by underground/bus :

The center of Toulouse to Auzeville is about 15 km.

Take the underground line B to the terminal station Ramonville ([map](#)) and then take the bus number L6 ([map and timetable](#)). Leave the bus at the "Castanet Station INRA" and walk 100 m to the south campus entrance.

Arriving by plane :

Take the shuttle from Blagnac airport (every 20 min) as far as Compans Caffarelli station, change to the underground line B to Ramonville ([map](#)) and take the bus number 62 ([map and timetable](#)) for Auzeville and the INRA campus (see above).

Arriving by train :

From the Toulouse Matabiau station take the underground line A ([map](#)) as far as Jean Jaures station, change to the underground line B as far as the terminus Ramonville and take the bus number L6 ([map and timetable](#)) for Auzeville and the INRA campus (see above).
